

DEMOCRACY PREP CHARTER HIGH

Work Hard. Go to College. Change the World!

September 2016

To Whom it may concern,

Democracy Prep Charter High School is creating a new extra-curricular point system. This system will award scholars for participating in extra-curricular activities and encourage scholars to participate in after-school activities that will provide enrichment in their education.

Part of this new program is honoring the students current off-campus commitments. The scholar listed below has indicated that he/she spends a minimum of one hour per school week attending your afterschool commitment. In order to secure points for this activity please complete the sheet below and have the scholar return it to school. Part of this is an agreement to monitor our scholars attendance. Ms. DiMauro will contact you occasionally during the trimester in order to ensure that our scholar is meeting all requirements.

Thank you for your support in ensuring we are able to honor all of our scholars after-school extra-curricular commitments.

Warm Regards,

Ms. Elisa DiMauro
Assistant Principal, Social Studies Department Chair, Extracurricular Coordinator, Civics Coordinator
